

Win an iPad 3!

Attend any of our daily on-stand seminars to be entered into our exclusive prize draw to win one of two new Apple iPad 3's.

All you then need to do is complete this form, including your email address (which we'll use to contact the winners) along with the 'secret passcode' which will be

given during the course of each seminar, before posting it in the entry box on the front of the Tannoy, Lab.gruppen & Lake booth (Hall 8, E80).

(Please use block capitals to fill in this form.)

TC Group companies may, from time to time, contact you by email with information on products and events that we think may be of interest to you. We will not pass your details to any 3rd parties. If you do not wish to be contacted, please tick the box. Opt Out

Terms & Conditions

- No purchase necessary. Please fill out the above form, all entries must include name, email and passcode and must be received no later than 6pm, 24th March 2012. Incomplete or entries will be treated as invalid.
- Employees of TC Group (including subsidiary companies) and appointed distribution companies are not eligible to enter the prize draw.
- Two branded (laser-etched with Tannoy, Lab.gruppen and Lake logos) iPad 3s advertised as prizes, TC Group reserves the right to substitute a prize of equivalent or greater value if this is necessary for reasons beyond its control. No cash alternative will be offered for any prize.
- Two (2) winners will be drawn at random after the show and notified via email (before end of March) with prize sent by courier to a shipping address provided by winning parties.
- Only entries with valid email address and correct 'password' code will qualify for prize draw. Unique password given out during each of the on-stand seminar events. See schedule (overleaf) for timings.
- One entry per person maximum. Multiple entries will result in invalidation of all entries from that party.
- TC Group's decision on all matters relating to this prize draw is final and discussion will not be entered into.
- The name of the prize winners may be obtained by written request by sending an SAE to Tannoy LTD, Rosehall Industrial Estate, Coastbridge, North Lanarkshire, ML5 4TF before 31st May 2012.
- We will not pass your data on to third parties out-with the TC Group of companies. Other parties within the TC Group may contact you with information on products that could be of interest to you. You are free to unsubscribe from our lists at any time, either via the link at the bottom of each email or via our website. Until you unsubscribe, Tannoy Ltd or other members of the TC Group may send newsletters and special promotion emails.
- Any extra activities and costs beyond the specified prize will be the responsibility of the winner.
- The prize winner may be required to participate in publicity accompanying or resulting from this promotion.

Seminar Programme

This year at Prolight+Sound, we're hosting a series of engaging mini-seminars on various aspects of professional audio, with specific reference to leading product lines and technologies from Tannoy, Lab.gruppen and Lake.

These short presentations will take place on the stand (Hall 8, E80) at intervals throughout the day, with both English and German language sessions (see schedule below) and attendance is free and open to all.

What's more, all attendees will be eligible to enter our exclusive prize draw to win one of two brand new Apple iPad 3's (see overleaf for details).

Daily Wed-Fri

11am – Introducing Lake Controller version 6 (English & German) Presenting the latest incarnation of Lake Controller with long-awaited multi-platform RTA software integration support (Wed/Fri - Smaart 7, Thurs - Live-Capture). Aimed at live sound engineers and touring systems designers.

2pm – Self-powered digitally steerable array loudspeakers in PA/VA systems (English) Graham Hendry (VP of TC Group's AET unit) presents a seminar on the subject of digitally steerable array loudspeakers and their use in large scale PA/VA (public address / voice alarm) installed systems. Central to this will be Tannoy's award-winning QFlex product and the new SM1 Sentinel Monitor. Aimed at acoustical consultants, systems designers and integrators.

3pm – Self-powered digitally steerable array loudspeakers in PA/VA systems (German) TC Group International's Markus Portworsnick presents the same seminar as above but for a German speaking audience.
